QUALITY POLICY

Tamboritha is committed to the provision of safe, reliable and environmentally responsible underwater engineering solutions and services.

Tamboritha is committed to meeting defined requirements and expectations specified by interested parties, statutory and regulatory requirements, industry associations and ISO 9001:2015.

Furthermore, Tamboritha is committed to continually improving the effectiveness of the Quality Management System to meet constantly changing and evolving requirements.

Quality objectives are established by the Managing Director, assisted by the QHSE Coordinator and management team. Quality objectives are reviewed at least annually, or more often as required, by the QHSE Coordinator, and revised as appropriate, in accordance with ISO 9001:2015.

This Quality Policy is maintained as a document, and communicated, understood and applied within the organization, and available to relevant interested parties as appropriate. The Quality Policy is reviewed annually by the Managing Director, to ensure that it is appropriate to the purpose and context of the organization, and supports the strategic direction.

By these processes, Tamboritha will continue to challenge and improve the quality of our products and services to meet the ongoing demands of our customers.

This policy applies to all personnel involved with TAMBORITHA CONSULTANTS Pty Ltd controlled activities.
